EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ronald S. Henderson on 9/25/06.

The application has been amended as follows: In claim 17, line 2, -- lid portion -- has been substituted for "lid second" to be consistent with claim 13.

2. The drawings were received on 3/13/06. These drawings are accepted.

3. The following is an examiner's statement of reasons for allowance: The art of record does not suggest the provision of a zipper expansion arrangement in a hard suitcase wherein the zipper fastener is attached to a convex lid and convex base with stitching.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Applicant's arguments, see page t of the amendment, filed 9/22/06, with respect to the objections to the drawings and claims have been fully considered and are persuasive. The objections of drawings and claims have been withdrawn.
